BeeOne Times Table Workbook

Dear School Leaders and Educators,

We are excited to present the latest initiative from BeeOne Books, the creators of **www.grade1to6.com** — a trusted platform for quality Math and English resources for **Grades 1 to 8**. Designed with the modern classroom in mind, we now offer customizable digital workbooks for schools, complete with answer keys and unlimited printing rights — all with your school's name, logo, and address proudly featured on the front cover.

As the educational landscape shifts with the introduction of the National Curriculum Framework 2023, our workbooks have been thoughtfully structured to reflect these new directions. They are aligned with updated pedagogies and real-world learning strategies, ensuring teachers are supported with clear, effective, and curriculum-aligned materials.

Our offerings are highly acclaimed across the globe:

- Rated 4.7/5 on Teachers Pay Teachers (TpT) — the world's leading marketplace for educators
- Rated 4.8 on Google by teachers, tutors, and schools worldwide

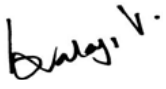
These ratings reflect our ongoing commitment to excellence, clarity, and innovation in educational publishing.

Our digital workbook package includes:

- Fully editable Math and English workbooks for **Grades 1–8**
- Complete answer keys for all content
- Rights for unlimited printing within your institution
- Compatible with CBSE, ICSE and State Board.

These resources are ideal for daily classwork, assessments, homework, or holiday practice. Thousands of educators already use our workbooks to reduce prep time and improve student outcomes.

We thank you for your trust and continued support. Together, let's build a future of confident learners and empowered schools.
Warm regards,



Balaji V
Team BeeOne Books

BeeOne
BOOKS

BeeOne Nursery Math Workbooks

Revised

BeeOne's Nursery Math workbooks introduce early learners to numbers through fun, hands-on activities. Topics include counting, number identification, addition, patterns, and subtraction, all taught using engaging formats like coloring, matching, flashcards, and ten frame cards. With exercises like Color by Numbers, children develop a strong number sense and early problem-solving skills.

BeeOne Nursery English Workbooks

Revised

Our English workbooks build strong language foundations through activities in alphabet recognition, phonics, writing, and vocabulary development. Children explore alphabet tracing, CVC words, sight words, rhyming, blends, and more using interactive tools like flashcards, mini books, and worksheets. With fun themes such as animal sounds, word families, and letter unscrambling, BeeOne makes early literacy exciting and effective.

English

Revised

Grammar: Clear explanations and structured exercises help students master parts of speech, sentence construction, punctuation, and usage rules through consistent practice.

Reading: Engaging passages with comprehension questions develop critical thinking, inference skills, and the ability to read with understanding and purpose.

Writing: Step-by-step guidance in paragraph writing, story construction, and everyday writing tasks builds confidence and fluency in written expression.

Vocabulary: Carefully curated word lists, context-based activities, and fun exercises expand students' word bank and improve usage in daily communication.
Integrated Learning: All topics are seamlessly connected to support overall language development, aligned with curriculum standards for Grades 1–8.

BeeOne BOOKS

Mathematics

Revised

Concept Clarity: Each topic is introduced with simple explanations and visual aids to help students understand core mathematical ideas step by step.
Skill Practice: A wide range of problems—from basic to challenging—gives students the repetition they need to master operations, measurements, geometry, and more.
Word Problems: Real-life scenarios are included to strengthen logical reasoning and help students apply math in everyday contexts.
Assessment Readiness: Regular review sections, quizzes, and answer keys support on-going evaluation and exam preparation.
Curriculum-Aligned: All content is based on CBSE, ICSE and State Boards standards for Grades 1–8, making it easy for teachers to integrate into classroom learning.

BeeOne Gold Mine Times Table Workbook

Revised

Master Multiplication and Division with Confidence and Fun.
The BeeOne Gold Mine Times Table Workbook is a high-impact, skill-building resource designed to help students develop speed, accuracy, and confidence in mastering times tables from 1 to 6 — along with related division facts.

Ideal for CBSE, ICSE, PYP (IB), US Common Core, UK National Curriculum, Singapore, Australian, and New Zealand curricula, this workbook offers:

- Daily practice drills organized week-wise and session-wise
- Timed challenges that build fluency and recall under pressure
- Gold Coin reward system to make learning interactive and competitive
- Mixed multiplication and division sets for real mastery
- Progressive levels that cover single tables, mixed operations, and inverse relationships

Each session includes 60 fast-paced problems, encouraging children to track their time, calculate their scores, and compete with peers. It is ideal for classroom warm-ups, homework, assessments, or summer learning.

Perfect for Grades 1 to 6, this workbook promotes active engagement and strong foundational math skills — making students math-confident for life.

Available as PDF only, schools can brand it and print unlimited copies.

BeeOne BOOKS

BeeOne English Grammar Workbook (Grades 1–12)

Revised

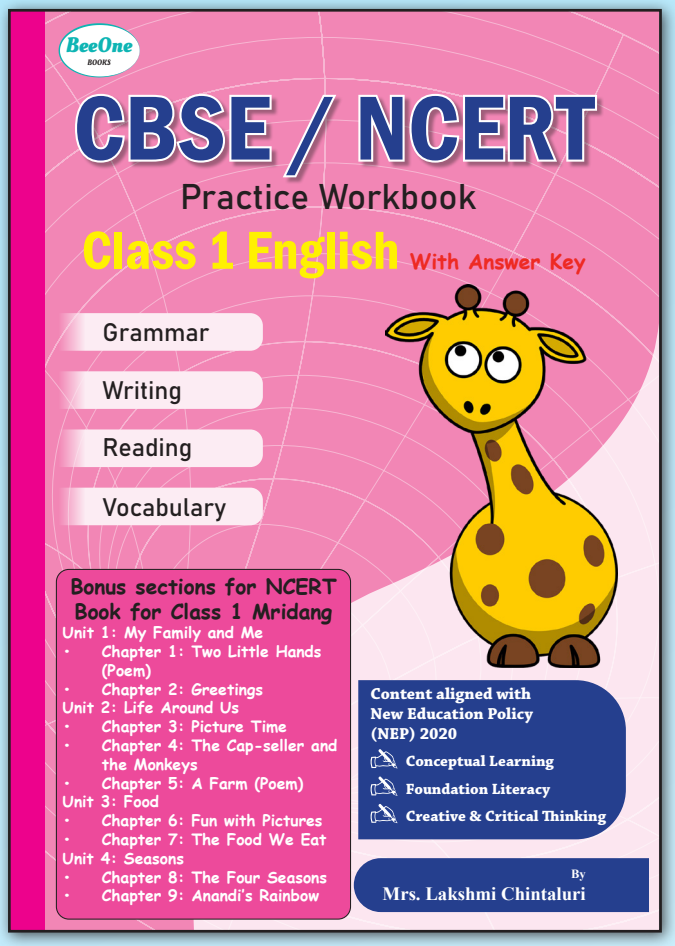
Aligned with global standards — IB PYP, US Common Core, UK National Curriculum, Singapore Curriculum, CBSE, and ICSE — this all-in-one grammar workbook is your complete classroom and homework resource for building a strong command of English.

What's Inside:

- Parts of Speech Mastery:
  Deep dive into nouns, pronouns, verbs, adjectives, adverbs, conjunctions, prep ositions, and interjections, with dedicated sections for types, rules, and usage.
- Noun Focus:
  Extensive practice on number nouns, collective nouns, countable and un countable nouns, gender forms, possessive nouns, and compound nouns. In cludes pluralization rules, real-world sentence use, and classification exercises.
- **Verb Power:**
  Covers action, helping, linking, transitive, intransitive, modal, and auxiliary verbs. Includes tense forms, irregular verbs, and verb + object patterns for clearer understanding.
- **Sentence Building:**
  Learn to identify subject, verb, predicate, as well as main and subordinate clauses, and direct/indirect objects. Students develop the ability to construct grammatically accurate, meaningful sentences.
- **Grammar Essentials:**
  Includes articles, conditionals, contractions, comparatives/superlatives, con junctions, and word families, helping students apply grammar confidently in writing and speech.
- **Special Grammar Topics:**
  Clear explanations and tasks for "because vs. because of," "can or can't," "since vs. for," "there is vs. there are," "would vs. used to," and more—topics often misunderstood by learners.
- **Collective Nouns:**
  Fun activities and matching tasks around collective terms for animals, people, objects, and professions to reinforce group-based vocabulary.
- Practice & Assessment:
  Worksheets feature fill-in-the-blanks, sentence rewriting, classification tables, matching columns, and error correction tasks to promote conceptual clarity and long-term retention.
- **Answer Key Included:**
  Every worksheet has a complete answer key, supporting teachers and enabling self-assessment.

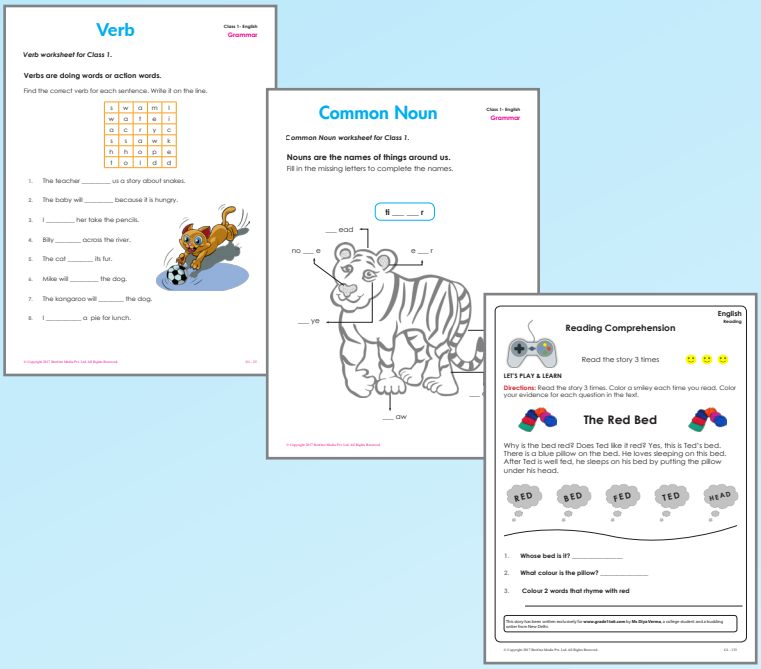
This workbook is ideal for students from Grade 1 to 12, and is widely used by schools, tutors, and homeschooling parents.
Available exclusively as a PDF digital copy from BeeOne Books, the content is printable, customizable, and ready to be used for daily lessons, grammar drills, or exam prep.

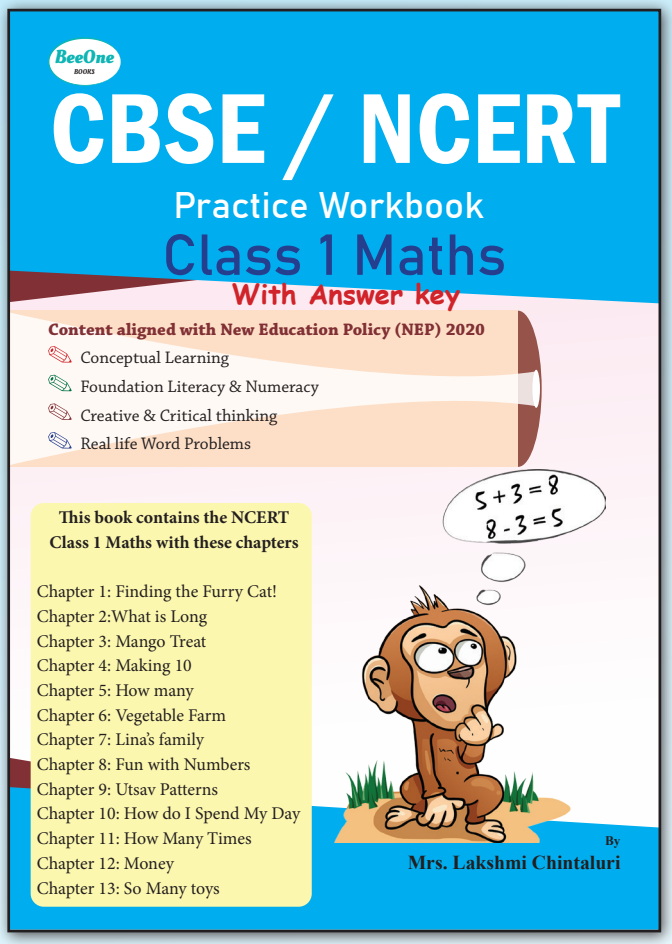
BeeOne BOOKS



The topics covered are Reading, Writing, Grammar and Vocabulary to support the chapters covered in Grade 1.

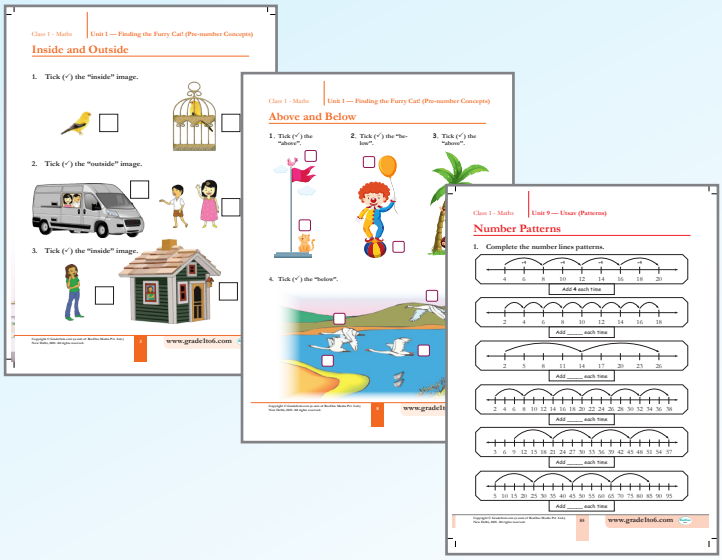
Pages: 189
Price: Rs 450

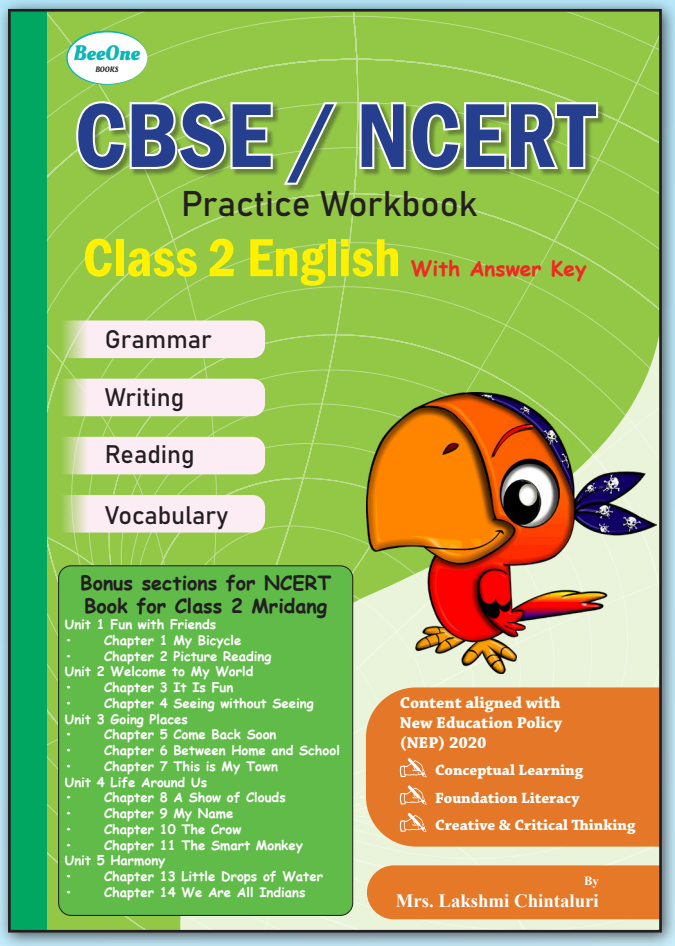




The chapters covered are Shapes, Numbers from one to nine, Addition, Subtraction, Numbers from ten to twenty, Time, Measurement, Numbers from twenty to fifty, Data handling, Patterns, Numbers, Money, Counting & estimating and Real-life word problems in all these chapters, to support the chapters covered in Grade 1.

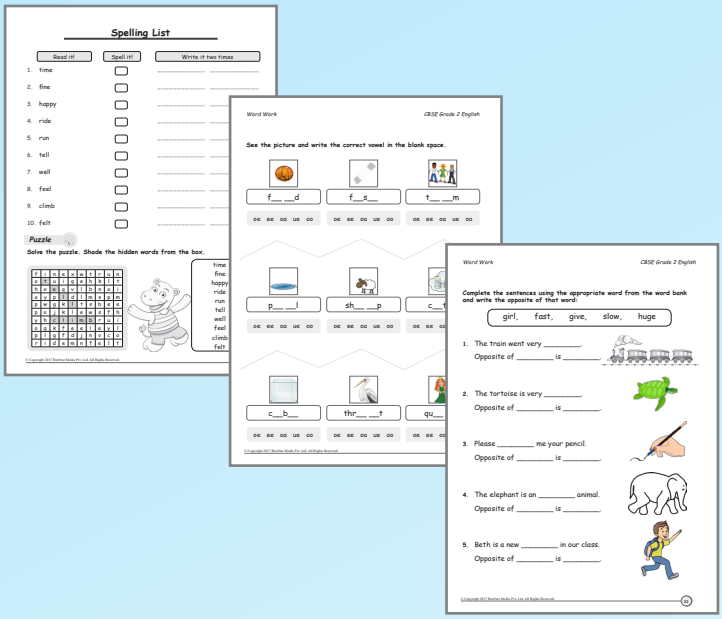
Pages: 200
Price: Rs 375

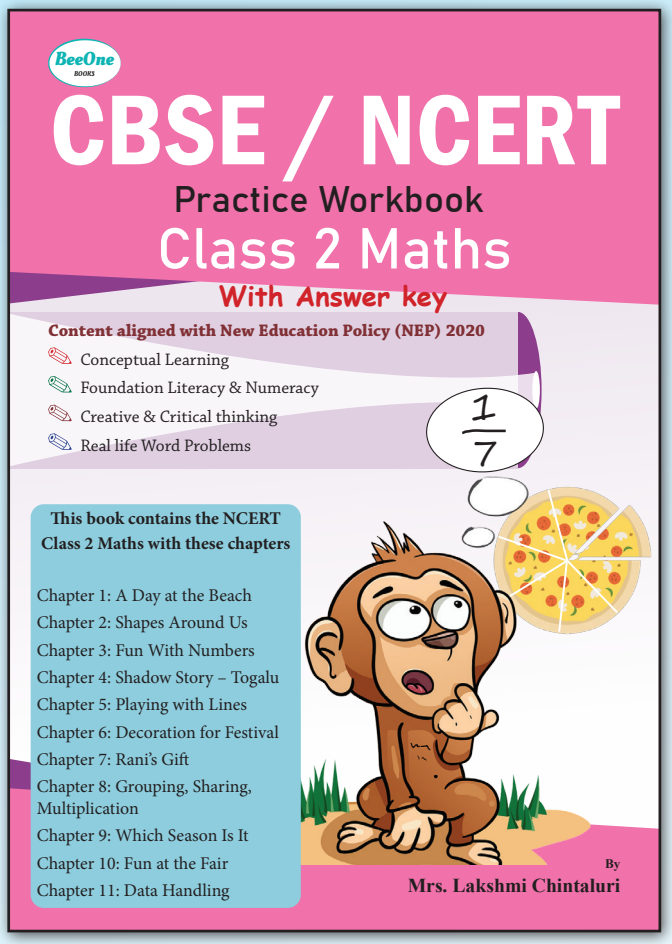




The topics covered are Reading, Writing, Grammar and vocabulary to support the chapters covered in the Grade 2.

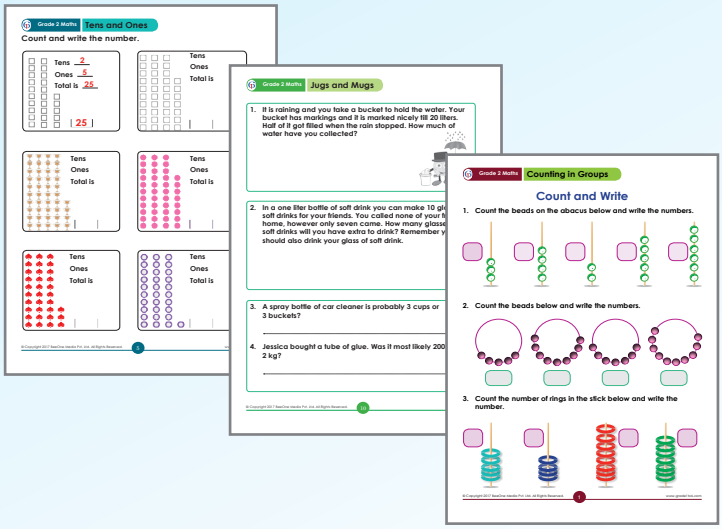
Pages: 311
Price: Rs 375

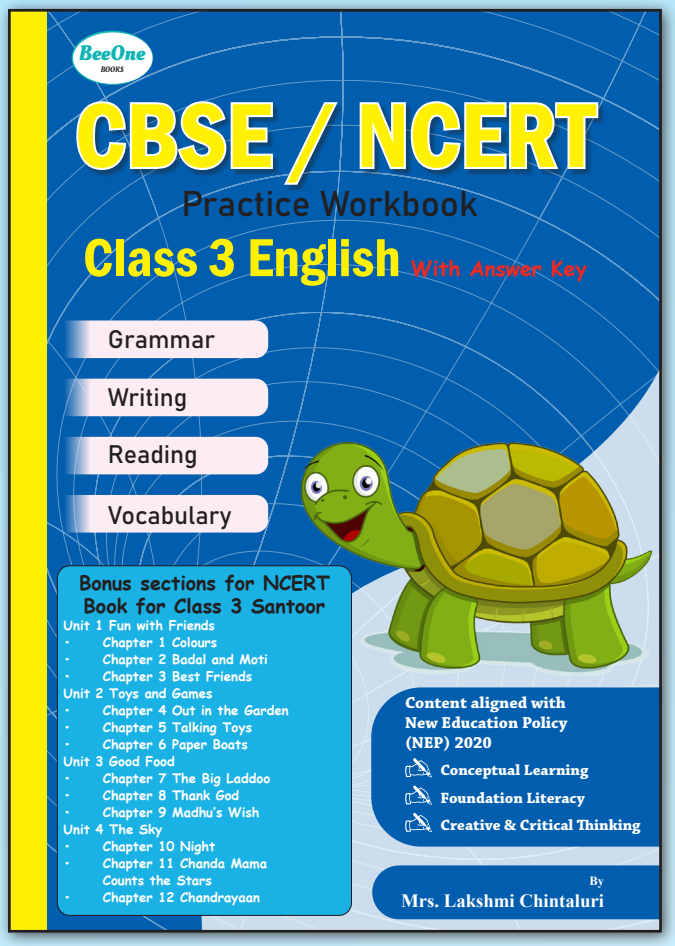




The chapters covered are Numeracy: Two-digit numbers up to 99, Place value of numbers, Counting in tens and ones, Comparing numbers, Real life word problems, Money, Shapes, Lines, Measurement, Comparing objects, Time, Data handling and more to support the chapters covered in the Grade 2.

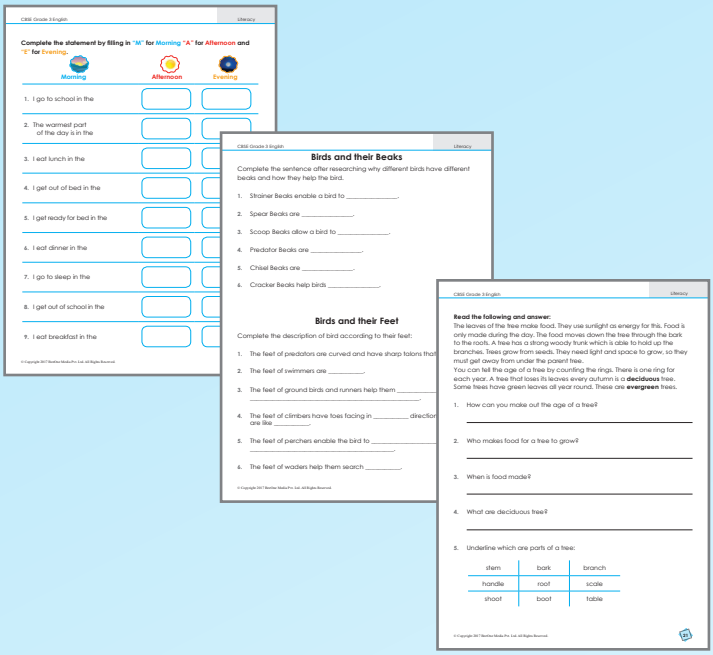
Pages: 197
Price: Rs 450

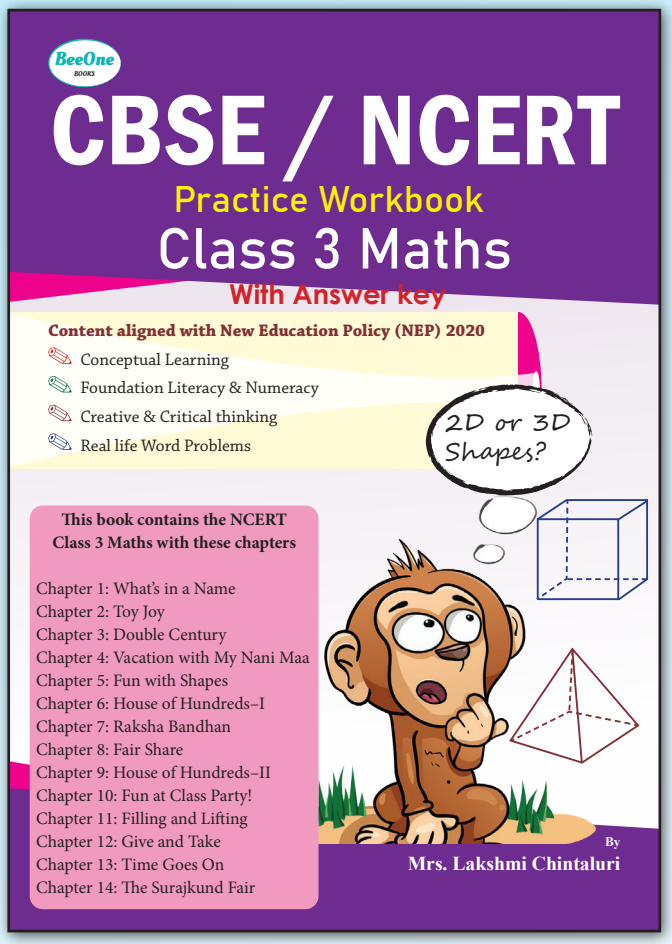




The topics covered are Reading, Writing, Grammar and vocabulary to support the chapters covered in the Grade 3.

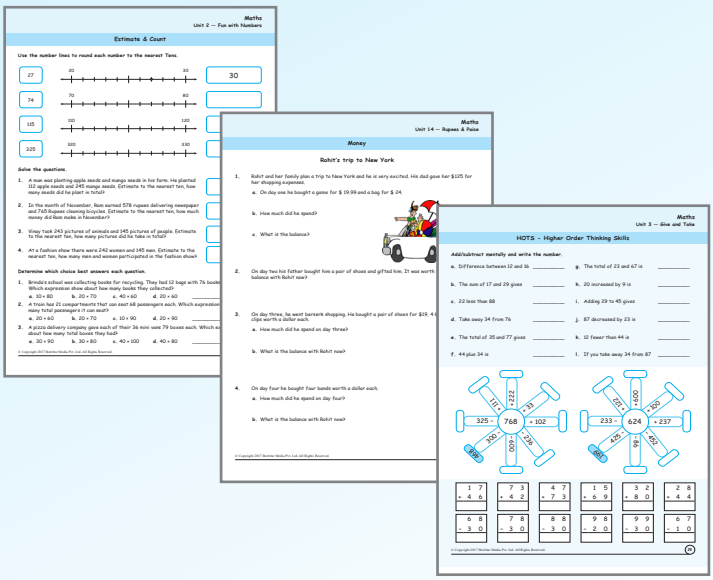
Pages: 321
Price: Rs 375

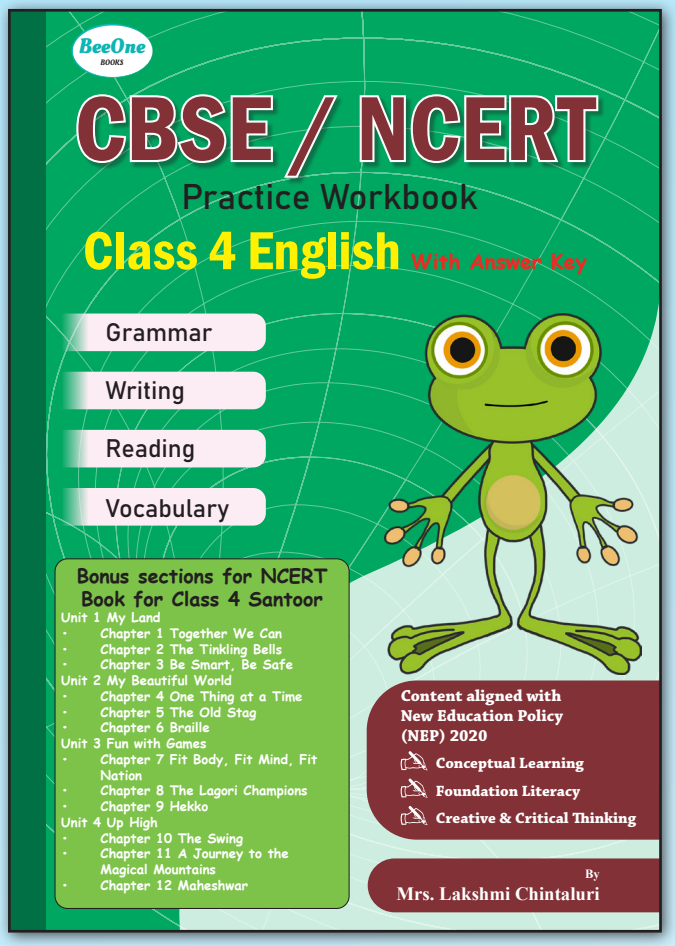




The chapters covered are Where to look from, Numbers, Addition and subtraction, Long & short, Shapes, Time, Multiplication, Patterns, Measurement, Division, Data handling, money and Real life word problems in all these chapters, to support the chapters covered in the NCERT books recommended.

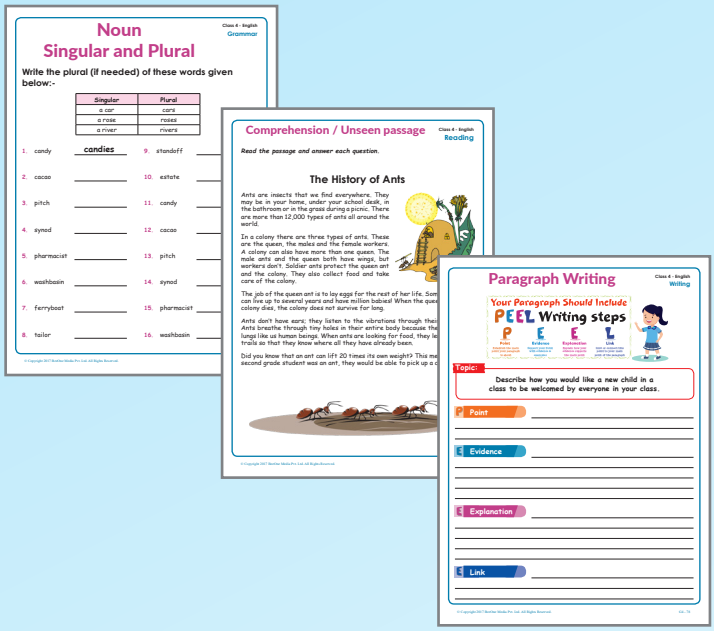
Pages: 204
Price: Rs 450

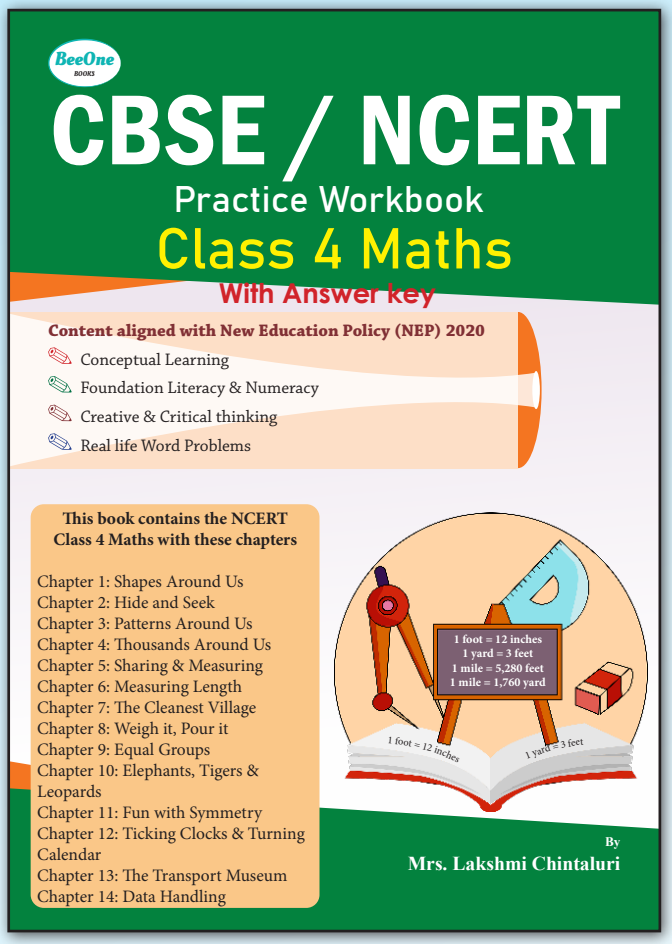




The topics covered are Reading, Writing, Grammar and vocabulary to support the chapters covered in the Grade 4.

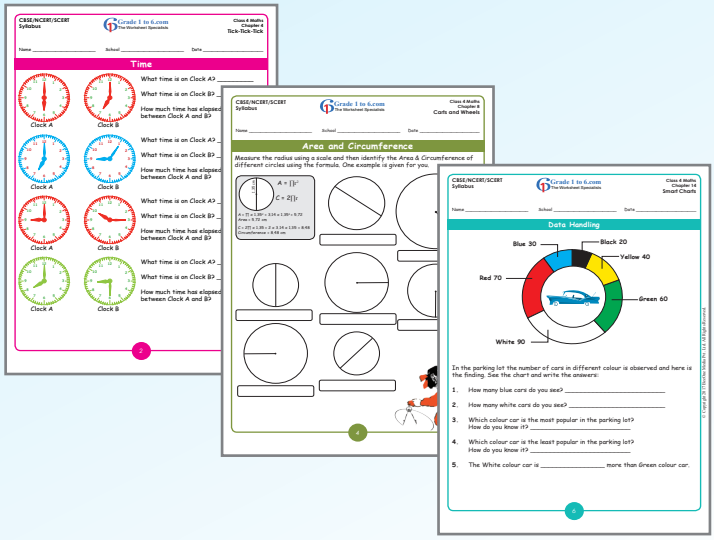
Pages: 377
Price: Rs 375

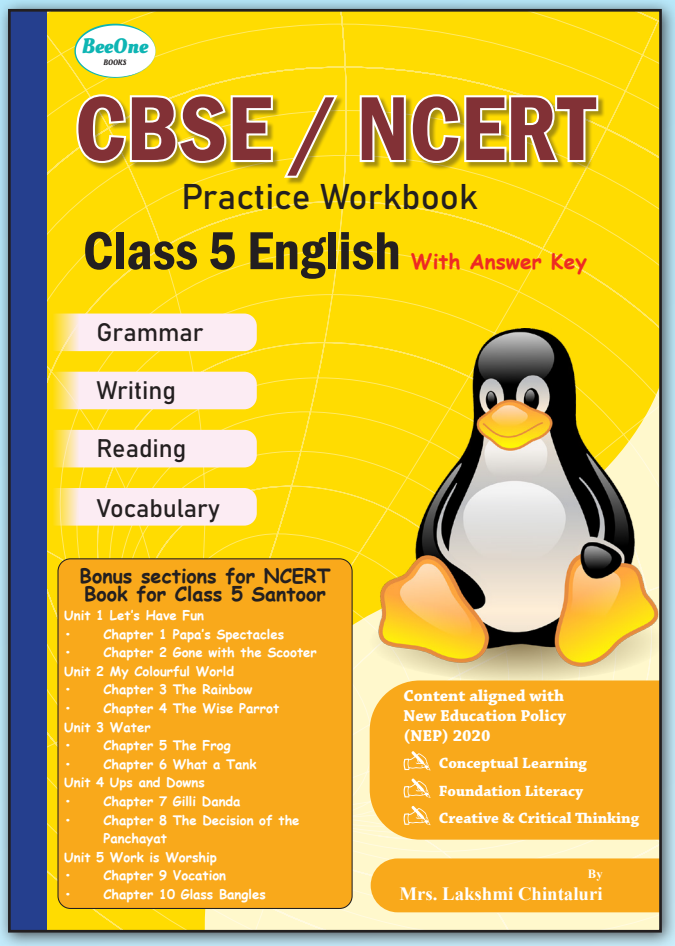




The chapters covered are Shapes, Long & short, Speed, Time & distance, Time, Multiplication, Measurement, Area & circumference, Halves, Patterns, Division, Comparing weight, Area & perimeter, Data handling, and Real-life word problems in all these chapters, to support the chapters covered in the NCERT books recommended.

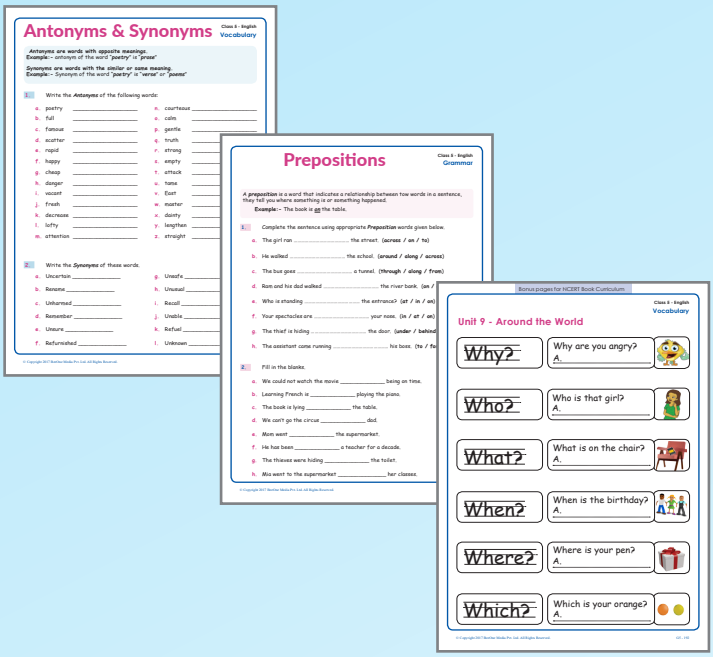
Pages: 298
Price: Rs 450

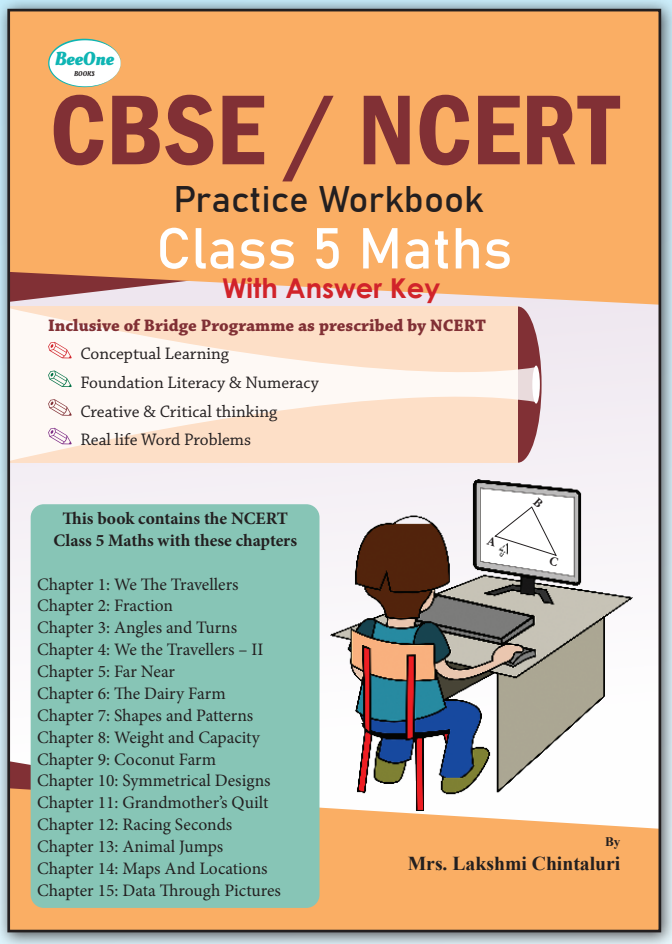




The topics covered are Reading, Writing, Grammar and vocabulary to support the chapters covered in the Grade 5.

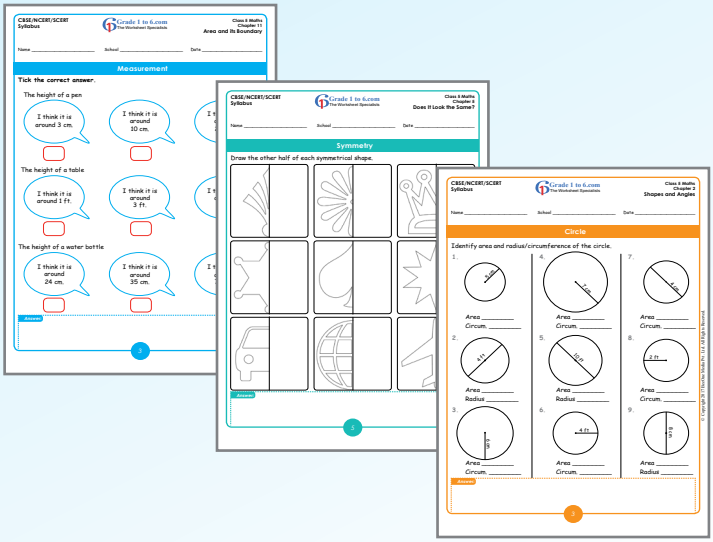
Pages: 325
Price: Rs 450

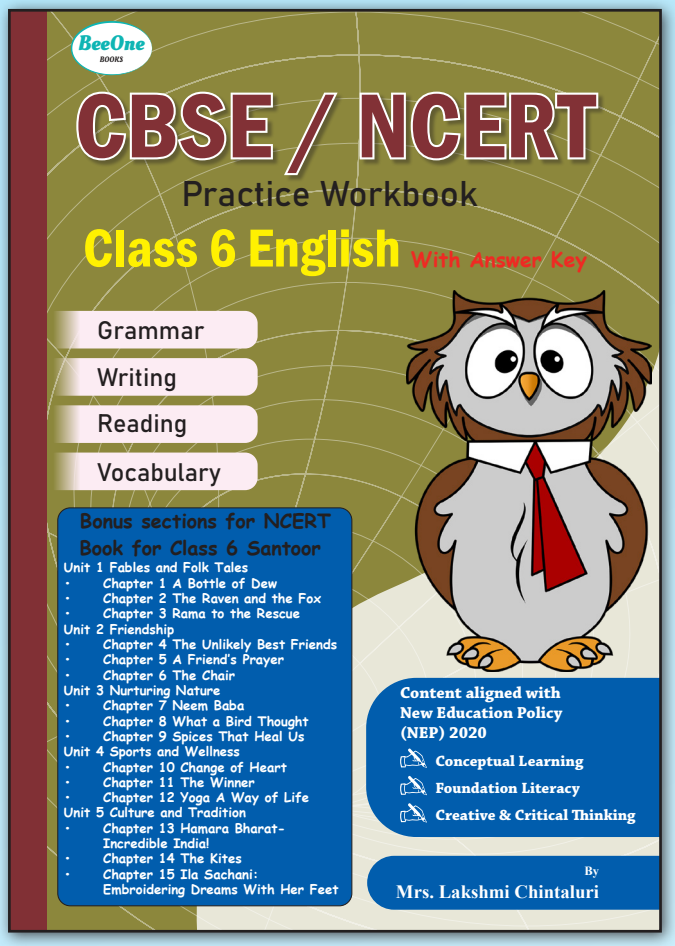




This book includes the new Bridge Programme content and also the old chapters covered are Numbers, Shapes & angles, Area & perimeter, Fraction, Symmetry, Factors & Multiples, Number pattern, Maps, Shapes, Decimals, Area, Data handling, Multiplication & division drills, How big? How heavy? Real life word problems in all these chapters, to support the chapters covered in the Grade 5.

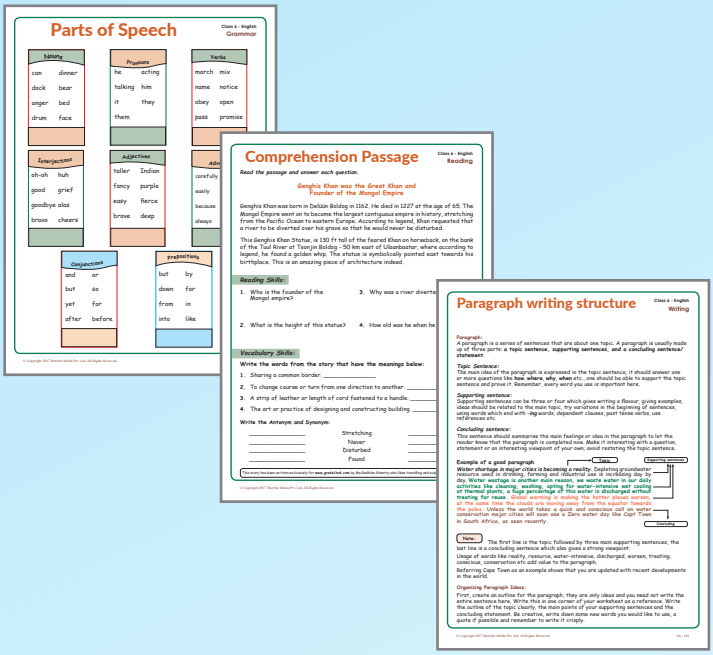
Pages: 428
Price: Rs 450

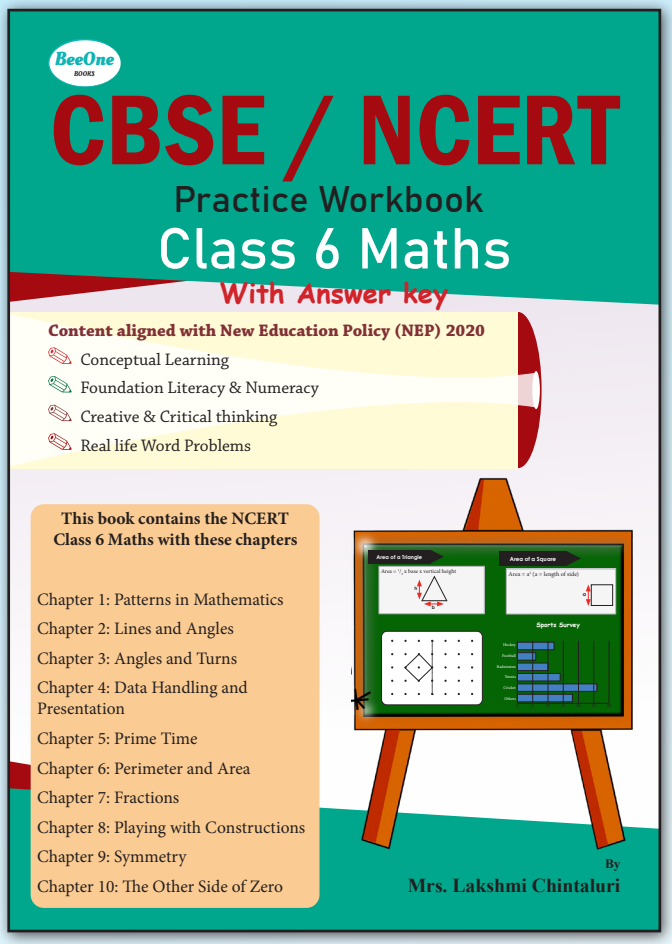




The topics covered are Reading, Writing, Grammar and vocabulary to support the chapters covered in the Grade 6.

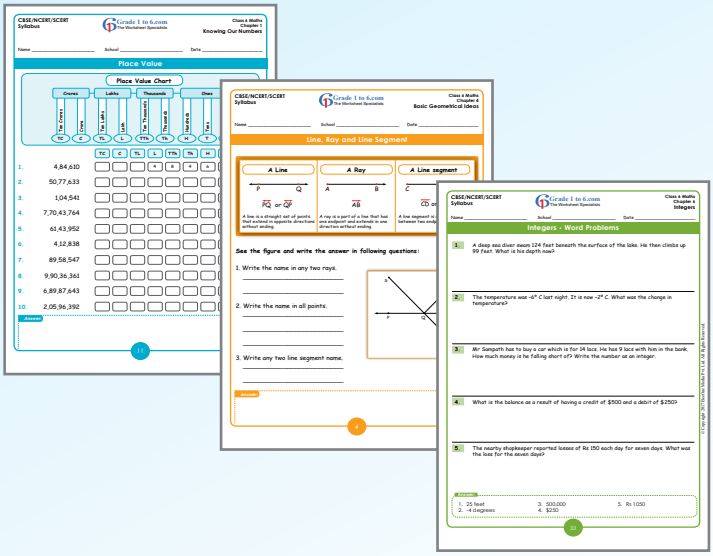
Pages: 305
Price: Rs 375

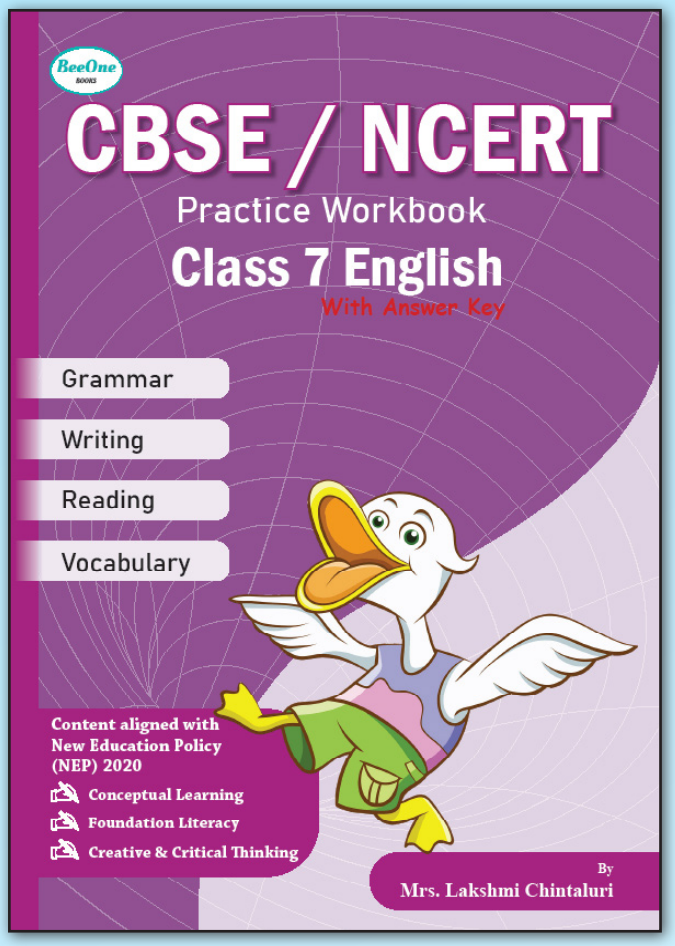




The chapters covered are Numbers, Whole numbers, Factors & multiplication, Geometry, Shapes, Integers, Fractions, Decimals, Data handling, Mensuration, Algebra, Ratio & proportion, Symmetry, Lines, Rays & segment, Real life word problems in all these chapters, to support the chapters covered in the Grade 6.

Pages: 190
Price: Rs 450





The topics covered are Reading, Writing, Grammar and vocabulary to support the chapters covered in the Grade 7.

Pages: 141
Price: Rs 375
