Take a minutes and read this:

1. These are the easiest ones for you kids.
2. More easy ones, just fill in the blanks.
3. Draw lines to match the correct answer and double your marks than the previous questions.
4. The easiest of fractions, just match the shaded portions.
5. Time to score more now by just solving these simple areas you learnt this year.
6. You don't need to be a genius to do these, however you will score 4 times than the first question in this paper
7. Get ready to go home, solve these slowly and keep smiling.
