

Reading Comprehension / Unseen Passage

Read the short passage and answer the questions.

Flight Experience

An Airplane is a mode of transport. It takes people from one city or country to another. It is faster than any other form of transport. A pilot flies an Airplane. They control the plane from a cockpit. There are many stewards and air hostesses on a plane. They take care of all the passengers. They give us food, drinks and snacks during the flight. Before takeoff, they give us instructions. This makes sure that we are all safe. Taking a flight is a great experience!

Answer the following questions:

1. What does an airplane do?
2. Which of the statements is NOT true?
 - a) Airplanes are the fastest form of transport
 - b) A steward flies an Airplane
 - c) Instructions make sure passengers are safe
 - d) Air hostesses give us snacks
3. What do the stewards and air hostesses do?
4. What happens before takeoff?
