

# Count and Add

Add together the two groups of items and write the total in the circle.

$$\text{6 ice cream cones} + \text{5 ice cream cones} = \text{11}$$

$$\text{4 giraffes} + \text{4 giraffes} = \text{}$$

$$\text{5 flowers} + \text{5 flowers} = \text{}$$

$$\text{4 chili peppers} + \text{4 chili peppers} = \text{}$$
