

This class 2 maths worksheet will improve your subject concept and improve your grades.

Long and Round

Word Problems in Shapes

Identify the round items from the clue given below:

1. People order me over the phone and I get delivered by a delivery boy, hot and tasty and am eaten immediately. Who am I?

2. Boys keep kicking me around whenever they are playing.

3. Girls like to wear me on their ears.

4. Children look at me, aim and try to hit me at the center with a pointed needle like thing.

5. If you don't see me you will be late for school.
