

# Subtraction Word Problems

Boys of Grade 4 had a Readathon challenge at school and they had to read 250 pages in the month of January. On the 14th of January the form tutor asked them to write down the number of pages each of them has read so far. Given below is the data gathered. Help the form tutor in identifying who must read how many more pages by the end of January to complete reading 100 pages.

Write your answer here.

Noah	121	_____
Liam	189	_____
Benjamin	201	_____
Oliver	99	_____
William	146	_____
James	133	_____
Elijah	212	_____
Lucas	250	_____
Mason	78	_____
Michael	155	_____
